

REMARKS

Applicants respectfully request that the Office Action be withdrawn and a second Notice of Non-Compliant Amendment be issued because a complete listing of all claims was not present in the reply filed on September 19, 2005.

This application was filed on April 15, 2004 with claims 250-322. However, the Reply filed on August 10, 2005 includes a different set of claims (claims 250-304) from those filed on April 15, 2004. While the Notice of Non-Compliant Amendment mailed on August 24, 2005 highlighted this discrepancy, the same claim listing that was submitted on August 10th (i.e. claims 250-304) was re-submitted on September 19, 2005, with the addition of "1-249 (Cancelled)." Unfortunately, a second Notice of Non-Compliant Amendment was not mailed in response to the September 19, 2005 filing.

Accordingly, Applicants respectfully request that the Patent Office withdraw the Non-Final Office Action mailed December 8, 2005 and issue a second Notice of Non-Compliant Amendment that again points out that a complete listing of all claims is not present in the reply filed on September 19, 2005.

Should the Examiner feel that there are any issues outstanding after consideration of this response, the Examiner is invited to contact the Applicants' undersigned representative at the number below to expedite prosecution.

Prompt and favorable consideration of this Reply is respectfully requested.

Respectfully submitted,
